This representation letter is provided in connection with your review of the financial statements of Corporation X, (the Company), which comprise the balance sheet as of December 31, 2019, and the related statements of income, changes in owner's equity and cash flows for the year then ended, and the related notes to the financial statements, for the purpose of obtaining limited assurance as a basis for reporting whether you are aware of any material modifications that should be made to the financial statements in order for the statements to be in accordance with accounting principles generally accepted in the United States of America.
